

AA Enterprise Wi-Fi iPad Setup

- 

1. Select the **Settings** App
- 

2. a. Touch/Select **Wi-Fi**
b. Turn toggle switch **ON** by sliding to right
c. Touch/Select **Enterprise**
- 

3. a. Enter Jetnet Username and Password
b. Click **Join**
- 

4. a. When the Certificate page pops up, select **Trust**.

NOTE: Using public Wi-Fi on an AA iPad is not recommended. To maintain security and integrity of the iPads and services we access, it is imperative to only use AA Enterprise Wi-Fi in areas where its available or turn off and use cellular connectivity. **For help with your iPad, call TechOps Support Desk at 1-888-697-5836.**

IF THERE ARE ANY CONNECTION ISSUES, PLEASE VERIFY THE PREVIOUS STEPS HAVE BEEN COMPLETED CORRECTLY.
